Date of Report: February 9, 2004

Field Office Area: Salmon

Contact: Gloria Jakovac **Telephone:** (208) 756-5421

Project Name: Beaux Road Right-of-way

Project Type: Road Right-of-Way **Project Size:** 3 acres (15 feet by 10,000 feet)

County: Lemhi

Location: T. 19 N., R. 21 E., sections 11 and 14, approximately 13 miles south of Salmon, Idaho along the west side of the main Salmon River.

NEPA Document: EA

NEPA No.: ID-085-04-0003

NEPA Completion Date: July 2004

Date Project to Begin: August 2004

Special Management Areas: The proposal is located along an existing road on the west side of the main Salmon River.

Remarks: The applicant has submitted a proposal for a right-of-way authorization for access across an existing road. The authorization is needed to ensure long term legal access to private property. The application involves upgrading and maintaining the road for year-round passage.

Field Office Area: Salmon

Contact Person: Gloria Jakovac **Telephone:** 208-756-5421

Project Name: Kenney Creek Land Acquisition

Project Type: Land Acquisition

Project Size: approximately 5-6 acres

County: Lemhi

Location: T. 20 N., R. 24 E., section 30 and 31, along Kenney Creek approximately 17 miles southeast of Salmon, Idaho.

NEPA Document: EA

NEPA No.: ID-085-04-0005

NEPA Completion Date: July 2004

Date Project to Begin: August 2004

Special Management Areas: This project is located within the Lewis and Clark National Historic Trail Corridor. The monument for Sacajawea is located in this area.

Remarks: The private landowners have offered a small portion of private land located along Kenney Creek to the Bureau of Land Management for fee acquisition. The acquisition of this parcel of land would use Land and Water Conservation Fund monies. If the BLM acquires this parcel of land, it is proposed that the existing Sacajawea Monument would be moved from its location on the south side of the County road to this parcel of land and a day use area would be developed.
