Base map information compiled from 1:100,000 scale U.S. Geological Survey (USGS) Digital Line Graphs. Land Status derived from BLM's Geographic Coordinate Data Base.

Even though every effort is made to depict the road network and other features as accurately as possible, the Bureau of Land Management (BLM) cannot guarantee road classification and/or positional accuracy of roads and other features in all cases. No warranty is made by the BLM for use of this data for purposes not intended by the BLM. The official land records should be checked for up-to-date status on any specific tract of land.
