

**42.5 Skeleton Creek Rapids Class II** - Big waves at the bottom call for some maneuvering. A grove of locust trees on the left provides one of the few shady camp spots on the Lower Salmon River.

**41.5 China Creek Rapids Class II** - A long string of enjoyable waves. Run is to the right of the island.

**Craig Mountain Wildlife Management Area** - All lands on river right from the mouth of Deer Creek to the Snake River are cooperatively managed by the BLM and Idaho Department of Fish and Game and are open for public use.

**39.1 Eagle Creek Road** - The rough, primitive road which enters the canyon from Eagle Creek parallels the river for 5 miles. There are lots of big camp spots in this area, but many are frequently occupied by car campers.
